Marsabit County Climate Change Fund Act 2020

What is Marsabit County Climate Change Fund Act 2020 about ?

Marsabit County has been affected by the effects of climate change. The rising temperatures have seen irregular weather patterns with drought and floods becoming common. Limited survival choices have led to deforestation, overgrazing and exploitation of natural resources.

To cushion communities from the effects of climate change, the Marsabit County Assembly passed the Marsabit County Climate Change Act 2020.

What are the objectives of this important Act and the Fund?

- (i) Financing of climate change programmes in the county
- (ii) Initiating and coordinating of climate change adaptation and mitigation activities at the community level in the county
- (iii) Facilitating the incorporation of climate finance in the County planning and budgeting framework
- (iv) Seeking and receiving grants from international sources, the national government and county government and other organisations
- (v) Coordinating support from National Government climate change policy and legislative framework
- (vi) Coordinating the collection and dissemination of climate change information to the public to create awareness and preparedness.

What is my role as a community member?

As a community member, you have a role to participate through public participation in the forums organised by the Ward Planning Committee. Here, you give proposals that can be funded to support your ward to deal with the effects of climate change.

How do our proposals get funded?

Ward Planning Committee receive projects to address climate change from the community . These projects come from the community.

County Planning Committee evaluate and recommend climate change proposals that should be funded to the Board (the Board is in charge of the Fund)

County Climate Change Fund Steering Committee (CCCFSC) provides oversight to the whole process

Since the Ward Planning Committee is very important at the grassroots level, what are its roles?

- (i) Consult with the community on the relevant climate finance activities at the ward level
- (ii) Facilitate public participation at the ward level to develop and prioritise proposals for investment that help the community cope with climate change effects
- (iii) Receive project proposals from the community at the Ward level
- (iv) Monitor project implementation at the Ward level
- (v) Prepare climate Finance budget at the ward level
- (vi) Prepare ward level project reports
- (vii) Any other duty assigned by the County Planning Committee

It is your role as a great resident of Marsabit County to get involved. Participate in identifying your climate change projects at the ward level.

Tuna Sauti kama Jamii

Sheria ya Marsabit Climate Change Fund Act 2020 inawezesha miradi inayosaidia jamii kujimudu kutokana na madhara ya kuharibika kwa hali ya anga.

Wewe kama mkaaji wa Kaunti ya Marsabit una jukumu kuhusika katika kuchangia aina ya miradi ambayo inafaa kufadhiliwa na hizi fedha za mazingira.

Unaweza changia katika wodi yako kwa kupeana maoni kwa Kamati ya Mazingira ya Wodi yako ambayo itakuwa imechaguliwa na wananchi wenyewe.
